## Frequently asked questions

Find the answers to some of the common questions.

## What is a Business Owner's Policy (BOP)?

A Business Owner's Policy combines multiple types of coverage—typically general liability and property insurance—into a single package tailored for small to medium-sized businesses, simplifying management and often reducing costs.

## Who is eligible for a Business Owner's Policy?

Most small to medium-sized businesses qualify, provided they meet specific criteria regarding their operations, location, and claims history. Our team can help assess your eligibility and customize your policy.

## Can I customize my BOP?

Absolutely! Enwage offers customizable coverage options, allowing you to select specific add-ons and coverage limits based on your unique business needs.

## How does the claims process work?

The claims process is streamlined through our app. You can submit claims directly, track their status, and access support all in one place, making it efficient and straightforward.

## What types of businesses can benefit from a BOP?

A wide range of businesses, including retail shops, restaurants, and service providers, can benefit from a BOP. It's especially advantageous for businesses that require both property and liability coverage.
