Features

Features Designed for Non-Profit Success

At Enwage, we understand the non-profit sector's distinct challenges, and our features are crafted to help you navigate them with ease.

Recruitment & Onboarding

Finding the right talent can be a daunting task. Our automated recruitment tools streamline the

process, making it easier to attract and onboard the right individuals passionate about your cause.

Volunteer Management

Empower your volunteers with a dedicated platform for scheduling and communication. Enwage makes it easy to keep everyone informed and engaged, ensuring they feel valued and connected.

Fundraising & Donor Management

Our software helps you track and manage donations, ensuring transparency and building trust with your donors. With Enwage, you can easily manage fundraising events and campaigns to maximize your impact.

All-in-One HCM

Teamwork Made Fun: Collaborate Like Never Before

Disconnected systems create repetitive manual work and are unable to offer business-critical insights. At Enwage, every product is built in-house and designed to seamlessly share data—including third-

party apps—giving you a single source of truth.
