compliance, it's your all-in-one payroll superhero. Pay smoothly, grow effortlessly!

Overview

# Pay Day, Every Day: Smart, Swift & Secure Payroll

Enwage’s Payroll Software automates everything, from salary calculations to tax compliance, delivering flawless payroll operations without the fuss. Simplify your processes and stay ahead of

payroll complexities with a few clicks.

#### Overview

#### Effortless Salary Calculations

Automate salary processing with precision, ensuring every cent is accounted for—from deductions to overtime pay.

#### Overview

#### Accurate Tax Handling

Taxes simplified: Enwage takes care of deductions, filings, and compliance, keeping you IRS-ready without breaking a sweat.

#### Overview

#### On-Time Payments, Every Time

Never miss a pay day! With automated scheduling, payments are processed on time, keeping your employees happy and productive.

#### Overview

#### Comprehensive Reporting

Generate customized payroll reports in seconds, helping you stay on top of everything with transparency and ease.

#### Features

## Beyond Payroll: Total Employee Management

With Enwage, you don't just pay your people – you manage them better. Our comprehensive features go beyond payroll, allowing you to seamlessly handle HR, benefits, and everything in between.

#### Integrated Time & Attendance

No more manual tracking—sync timecards and attendance directly into payroll.

#### Employee Self-Service

Give your team control with a platform where they can view pay stubs, update tax info, and track PTO all in one place.

## Direct Deposits & Checks

Pay your employees the way they prefer—whether via direct deposits or paper checks, Enwage handles it all smoothly.

## Frequently Asked Questions

Answers to common inquiries and concerns.

How does Enwage help with payroll compliance?

Enwage is built to keep you ahead of compliance requirements by automating tax filings, keeping track

of changing labor laws, and ensuring payroll is processed within state and federal guidelines. With Enwage, you'll never miss a filing deadline or miscalculate a deduction.

Can I track employee time and attendance with Enwage?

Yes! Enwage offers seamless time and attendance tracking that integrates directly into payroll, so you never have to worry about manually inputting hours. Whether your employees punch in or track time via an app, the system does the rest.

What types of payment methods are supported?

Enwage supports direct deposit, paper checks, and even payroll cards, giving your employees flexibility in how they receive their pay. You can set up automated payments based on each employee's preferences, hassle-free.

Is my payroll data secure?

Absolutely. Enwage uses top-tier encryption and follows strict data security protocols to ensure all your payroll information is safe, confidential, and compliant with industry standards.

Can Enwage handle multi-state payroll?

Yes, Enwage is built to handle payroll across multiple states, ensuring compliance with varying local, state, and federal tax laws. It's the perfect solution for businesses with remote teams or locations in different regions.
